Service Above Self

Through PolioPlus, Rotary's most ambitious program to date, Rotary has played a leadership role with the World Health Organization, the U.S. Centers for Disease Control and Prevention, and UNICEF in bringing the world to the brink of polio eradication. Rotary's **ENDPOLIONOW** campaign promotes public awareness and fundraising for the program. The Bill and Melinda Gates Foundation has given Rotary \$355 million in challenge grants to support PolioPlus, and has pledged up to \$35 million per year more through 2018 for the final push to eradicate the disease worldwide.

Nutley Rotary was chartered in 1922. In the past, we sponsored a water project in Mexico, bringing running water to a rural village where it previously had to be carried by hand. We also sponsored a water project in India.

More recently, Nutley Rotary is proud to have donated:

- The Rotary Gazebo in Kingsland Park, which is used by many groups;
- Beautiful Welcome To Nutley signs and planters;
- Video equipment to the Nutley Library.

Our ongoing and annual projects include:

- Scholarships and vocational awards to graduating seniors;
- Gift Of Life: provides open heart surgery to babies and children in developing countries. (Nutley sponsored a child from Panama through the Gift of Life Foundation);
- Camp Merry Heart yearly sponsorship of summer camp for a special needs child;
- New teacher Welcome Reception dinner;
- Distribution of dictionaries to all Third-Graders in Nutley;
- Sponsorship of disadvantaged female student to basketball camp each summer;
- Senior Picnic and sponsor of Senior Day;
