## Nutley Thriving Survivors, Inc. Memorial Garden

Since 2003, Nutley Thriving Survivors, Inc. has been supporting women who live or work in Nutley battling breast cancer. Food certificates and gift cards are sent to homes of women undergoing treatment, transportation can be provided, and mammograms offered to women without insurance. These are just a few of the comforts we are able to extend to our Nutley Thriving Survivors through donations and fund raising.

Our annual signature events, include the Candlelight Celebration Walk, our Celebration Brunch, and our Annual Golf Outing.

### This year we are Celebrating our 15<sup>th</sup> Anniversary!

To honor the many brave women we have lost, Nutley Thriving Survivors Inc. has created a Memorial Garden. This beautiful garden can be found along Vincent Place, across from the Nutley Town Hall. The County of Essex had graciously provided the unused land, and the project continues to be funded by generous donations made by those who support this group.

We are sincerely grateful to the supporters of this lovely Memorial Garden. It is with great pride, that we extend the opportunity to honor those whom you have loved. Your \$100 donation will secure your Garden Brick and will be engraved according to your request in the attached form.

On April 23, 2017, we held a Garden dedication. The turnout was overwhelming and the sun was shining, as we were able to reflect on the strength and remember those who fought before us. We invite you to view the photos, at your convenience, on our facebook page: Nutley Thriving Survivors, Inc.
