Dear Friend & Supporter,

The NJFCU Foundation, a registered 501(c) non-profit, has held its annual Above & Beyond Golf Classic for eight years providing underprivileged children and other worthy charities with support and scholarships.

"People helping people" is more than just a motto for the North Jersey Federal Credit Union Foundation. Every day, we strive to provide help and support to the communities that we serve. The Foundation's main focus is to help support community-based charities and local scholarship funds. As the Foundation progresses, it will pave the way for countless opportunities in reaching out to those in need throughout the community. Any endorsement received is vital and plays a significant role in helping the less fortunate.

Proceeds will benefit:

- **Autism Radio**
- **Boys & Girls Club of Paterson & Passaic**

We are asking for your help to support the NJFCU Foundation, but most importantly helping these great organizations.
