

BROADWAY HOUSE FOR CONTINUING CARE

NEWS FROM BROADWAY HOUSE

Broadway House Earns Excellent Rating from NJ Department of Health

(Newark, NJ) Broadway House for Continuing Care recently concluded its annual survey with the **New Jersey Department of Health** resulting in a deficiency-free survey for the second year in a row.

The inspection team conducted a comprehensive review of Broadway House's programs and services in accordance with CMS Federal and NJ State regulations. Teams evaluated all aspects of resident care and facility procedures and practices including patient care, resident rights, infection control, dietary services, behavioral health management, physical plant and life safety, emergency preparedness, medication management and staff training, licensing and education.

Broadway House, a long-term, skilled nursing center specializing in caring for people living with HIV/AIDS, is also **5-Star Quality Rated** (highest rating) from the federal **Centers for Medicare and Medicaid Services**.

"Our continued success is a result of our intense focus on quality care on a daily basis and the extraordinary work of our interdisciplinary team," said James Gonzalez, MPH, FACHE, LNHA, President/CEO. "This survey confirms our commitment to continually strive to improve the care we provide."
