

# “Picturing Nutley” Photography Contest

## Enter Your Best Pictures of Nutley in the Nutley Historical Society’s Picturing Nutley Contest, Sponsored by an Arts Grant from Essex County

Do you love to take pictures of Nutley? Would you like to show off the pictures you have taken? And would you like to see your best photo displayed in an exhibition to be held in the Nutley Public Library in 2019? If so, we invite you to enter Picturing Nutley, a new photography contest sponsored by the Nutley Historical Society! Winning photos (and possibly more) will be exhibited in a show in the Nutley Public Library, dates to be announced. Plus, there are prizes. (See below.)

### **Guidelines and Deadlines**

All persons entering the Picturing Nutley Contest must be residents of the town of Nutley in order to enter.

We want to see photos that show what you love most about Nutley – landscapes, pictures of people or buildings. It’s up to you.

Entries must be pictures of Nutley that contest entrants have taken. This is not a contest for older or historical pictures, or for pictures of Nutley that you have not taken.

The deadline for submissions is November 15, 2018. Each entrant can enter up to three photos.

Winners will be notified on or about January 1, 2018.

All submissions will be judged by the Board of Trustees of the Nutley Historical Society, and decisions of the judges are final.
