

Kingsland Manor Colonial Day

Sunday, October 21, 1 to 5 pm

Enjoy a fun and interactive living-history event at the Kingsland Manor, 3 Kingsland St. Nutley, on Sunday, October 21st from 1 to 5 pm. Watch our colonial past come to life as you and your family learn how people worked and played in pre-industrial America. See how they cooked food, dressed, made cosmetics, spun yarn, used woodworking tools, performed music, played games, did blacksmithing, wove baskets and prepared gardens. Sample a selection of foods, help churn butter, learn to play colonial games, and listen to harpsichord music and popular songs.

Admission is free. Donations are gratefully accepted.
