The Gary and Zeny Erbe Old-Time Film Festival

The showing marks the first installment of The Gary and Zeny Erbe Old-Time Film Festival, a film series that will be held at the Nutley Museum throughout the coming years. All events will feature films that were donated to the Nutley Museum by Nutley residents Gary and Zeny Erbe. Gary Erbe, a world-renowned painter who lives in Nutley, collected all the antique films that will be shown and recently had them transferred to DVDs.

“We are grateful to Gary and Zeny Erbe for making this incredible resource available to the people of Nutley,” says Domenick Tibaldo, President of the Nutley Historical Society. “In addition to cartoons, the collection that the Erbes donated to the Museum includes classic Westerns, old television shows, newsreels, travelogues, Civilian Defense films from the World War II era, and even films of classic prizefights. We will be thrilled to show these films at the Museum in a new film festival that we are naming for Gary and Zeny Erbe to recognize their wonderful contribution to our town.”

Future events in the The Gary and Erbe Old-Time Film Festival will be announced. For information, contact Barry Lenson, Nutley Museum Art Historian at (973) 715-2691 or <mailto:barrylenson@aya.yale.edu>
