

Our 50/50 raffle raised over \$10,000! Thank you!

Dear Phoenix friends and families,

We want to thank you for your contributions and support of our 50/50 raffle!

**What an amazing turnout!
With your help, we exceeded our goal and raised \$10,600!**

Our school community really came together to show its support for our students. What a heartwarming experience and we can't thank you enough!

These proceeds will go towards the purchase of a new mini-van for our Rising Futures Employment and Community-Based Instruction programs!

Our seven-passenger mini-vans transport students to their worksites and community outings. Last school year, through our Rising Futures Employment program our students worked at 30 different worksites, in five counties throughout New Jersey. In addition, we transported our students to over 500 Community-Based Instruction program outings in which students learned how to grocery shop, patronize local eateries and access physical fitness and therapeutic activities.

Congratulations to Mr. Armando Rosales of The St. Philip Knights of Columbus in Clifton, NJ for winning the raffle!! They have been supporting The Phoenix Center since 2011 and we greatly appreciate their partnership.

With gratitude,

Julie Mower
