Jack Conca 973-797-0991

**Dear Valued Referral Broker:**

**Thank you for all of your referrals. We appreciate the fact that you entrust us with the task of helping your clients solve their Health Insurance needs.**

**Heads up! As we enter 2019, we are ready to expand our sales force. Small business and individuals find themselves in an urgent need to review their Health Benefits position with the intent to stabilize the cost, while preserving a high level of benefits. As you are aware, our firm offers all health insurance products from large group to small group, from individual to Medicare and non-traditional association/union plans.**

**We need to expand our roster of skilled brokers to keep up with client demands. If you know of good quality benefits brokers who would be in a position to join us, please refer them to us. We are planning an introduction meeting to our company, its unique products and this interesting opportunity, on Friday February 1, 2019 at our Conference Center at 195 Fairfield Ave., 2D, West Caldwell, NJ 07006.**

**To reserve a seat at the meeting, call Nicole Pinto at 973-228-4899 ex 117 or email: [npinto@benefitnavigator.com](mailto:npinto@benefitnavigator.com)**
