## NEWS FROM BROADWAY HOUSE FOR CONTINUING CARE

Broadway House has been recognized by **US News & World Report** as one of the “Best Nursing Homes 2018-19.” Broadway House is the only nursing home in the immediate region (07101) and the only Newark facility to have the title! Broadway House has also achieved a CMS 5-Star Quality Rating, Advanced Quality Assurance & Performance Improvement Accreditation (Providigm) and the AHCA Bronze Quality Award among others.

**NJ Lt. Governor Sheila Oliver** paid a visit to Broadway House in October to meet with President Jim Gonzalez and department directors. She toured the historic building and met with residents in the Activities Room. Oliver was born and raised in Newark and graduated from Weequahic High School. In addition to her Lt. Governorship, she currently is the Commissioner of the NJ Department of Community Affairs. During her term as a member of the NJ State Assembly, 34th district, she served as its Speaker. Broadway House was honored to count the Lt. Governor and her team as their guests.

### “Helping Hands” Provides Holiday Meals

“The happiest, smiling faces can be hiding hunger underneath.” Knowing how true this can be is the force behind the “Helping Hands Project” at Broadway House. A team of staff, led by Director of Quality Lois Beatty, provided holiday meals for their co-workers. Over 200 meals were distributed between Thanksgiving and Christmas. Food donations came from Daniel Pollio, Pollio Produce; Metropolitan Baptist Church, Newark and the Broadway House Foundation. Food packages were prepared and given out by employees.

THANKS TO ALL WHO CONTRIBUTED TO THIS HEARTFELT HOLIDAY EFFORT.

*Best wishes to everyone who donated to Broadway House in 2018.*

*Your generosity is greatly appreciated.*

*From Our House to Yours, may you be blessed with a year filled with peace and happiness.*
