Jaycees Distinguished Service Awards dinner postponed "out of an abundance of caution" over Coronavirus

The Nutley Jaycees 2020 Distinguished Service Awards Dinner postponed to June 17th, and will remain at the Valley Regency in Montclair.

Walter Smith, Judges Chairperson, says it was decided to postpone the annual event out of an abundance of caution to the community, award recipients and their families and friends, surrounding the transmission of Coronavirus.

" We have five wonderful honorees and we are looking forward for the opportunity to recognize them in the front of the community. We understand the importance of this long-standing community event and we hope that the Coronaviras will have subsided by June 17th" Smith said in a statement. Ad book submissions will still be accepted and have a new deadline of June 1, 2020.

The Nutley Jaycees awards five individuals who live or work in Nutley every year, honoring outstanding contributions to the quality of life in Nutley. Awards are presented for commitment and excellence in the areas of (1) Business, (2) Education, (3) Civic Affairs, (4) Public Health and Safety and (5) to the one Outstanding Young Individual. This this is the 49th Jaycees Distinguished Awards Dinner.
