

NEF's 4th Annual "We've Got Your Back!"

Now, more than ever, students need our help to achieve academic success. Please join in supporting The Nutley Educational Foundation's 4th Annual "We've Got Your Back" initiative to provide student clients of the Nutley Family Service Bureau* with a **gift card** to purchase school supplies for the 2020-21 school year.

Due to the COVID-19 pandemic, we will not be collecting supplies/backpacks as we have in past years, but instead are asking for your support of this much needed initiative with a monetary donation.

A \$25 donation will sponsor one student's needs for either virtual or hybrid learning.

Donate online

by August 31st!

Facing challenges with flexibility.

We've always got your back!

Our Goal: To support a minimum of 120 students

The suggested donation is \$25 but contributions of any amount are welcome!
