

On April 23, 2017, the Nutley Thriving Survivors, Inc., dedicated a Memorial Garden in the name of those who lost their battle with breast cancer. The Garden is located on Vincent Place across from Town Hall. It is a beautiful raised garden in the shape of a breast cancer ribbon, with pink impatiens. The garden blooms all summer and into the fall.

Surrounding the ribbon are bricks engraved in the name of loved ones lost to this disease. In the landscaping surrounding the garden are plaques in the name of corporate sponsors who have generously contributed to the Garden.

Bricks are \$100

Corporate Sponsors are \$300

These continue to be accepted, as well as general donations, as the Garden needs to be maintained. Your continued support is greatly appreciated.

Donations may be mailed to:

The *Nutley Thriving Survivors, Inc.* has been supporting women with breast cancer, who live and work in Nutley since 2003. Food certificates and gift cards are sent to homes of women undergoing treatment, transportation can be provided, and mammograms are offered to women without insurance. These are just a few of the comforts we are able to extend to our Nutley Thriving Survivors through donations and fund raising.

Our annual signature events, include the Candlelight Celebration Walk, our Celebration Brunch, and our Annual Golf Outing.

Thriving Survivors Support Program

In the Fall of 2019, Nutley Thriving Survivors, Inc. will begin a support program for those breast cancer survivors who would like to share their experience. This will be a series of voluntary meetings, time, location and frequency to be determined by the group itself. Everyone has a different experience with breast cancer, and a different need, yet we are all always united in helping each other "thrive."

If you would like to participate in this support group, please email your name, address and phone number to nutleythrivers@gmail.com. All are welcome!
