

EFFECTIVE MARCH 15TH 2020

STUDIO TEMPORARILY CLOSED

Hi Friends,

I have made the decision to close the studio with all that is going on regarding COVID-19. We anticipate the closure to only be temporary and will advise as soon as normal schedule will resume. All events and workshops are in the interim to be postponed. We are ready to roll with online classes in the meantime starting Monday March 15th, 2020 via Zoom. Stay tuned for details.

Love and Security to all in this difficult time!
