

NUTLEY PUBLIC LIBRARY  
93 Booth Drive, Nutley, NJ 07110

## **PRESS RELEASE: SPECIAL VIRTUAL PRESENTATION**

### **JOEY BEE: RESEARCH SCIENTISTS, WOLVES, AND BEARS, OH MY!**

Environmental Scientist, local Nutley author, and expert outdoorsman Joey Bee will be providing a live Zoom presentation on Wednesday, July 29 at 7:00 PM. During this presentation Joey Bee will discuss his research on critical grizzly bear habitat and tracking the summer movement of wolves. The grizzly bear research was in the Beartooth Mountain Range outside of Yellowstone National Park. The wolf research was in the Boundary Waters in Minnesota.

#### **REGISTRATION**

Please register in advance to obtain Zoom connection information. The Library will provide you with the Zoom Connection Information one day prior to the presentation. This special presentation is available for all ages and open to the public. Questions? Please contact Michelle Albert at [michelle.albert@nutley.bccls.org](mailto:michelle.albert@nutley.bccls.org) or call the Nutley Public Library Reference Desk at 973-667-0405 x2604.

#### **BIOGRAPHY: JOEY BEE**

Joey Bee is a graduate of Rutgers University. He has attained a Master's Degree in Environmental Science. He is an accomplished environmental scientist, author, expert outdoorsman, and the host and producer of Joey Bee's Outdoor Adventure, ( <http://www.joeybeetv.com/> ) an online TV show. Joey films all across America and has filmed a pilot TV show for PBS. Joey has researched grizzly bears, wolves, birds of prey, and non-native plant species on the Sage Brush Steppe.

Joey is also the host and producer of the international podcast show: Joey Bee Outdoors, Science, and Nature ( <http://www.joeybeeoutdoors.com/> ). The podcast topics include: environmental issues, awesome animals, 101 series which introduces listeners to outdoor activities, organic gardening with Inspector Dave, animal ecology and behavior, oceanography, meteorology, geology, fishing, and outdoor vacations across America. The intro and closing to each podcast has a segment of the Joey Bee's Outdoor Adventure theme song. (Joey played rhythm guitar on the studio recording.)

Joey has filmed with two-time Super Bowl Champion Lee Rouson. He has been surrounded by wild horses while filming on Chincoteague Island. Joey has also filmed with Ocean Spray in their bogs recreating the Ocean Spray commercials. His most viewed episodes are comical: Joey Bee vs. The Squirrel and The Skunk Whisperer.

The Nutley Public Library is located at 93 Booth Drive. For more information about Joey Bee's presentation, please visit [nutleypubliclibrary.org/joey-bee](http://nutleypubliclibrary.org/joey-bee), email Michelle Albert at [michelle.albert@nutley.bccls.org](mailto:michelle.albert@nutley.bccls.org) or call Reference Desk at 973-667-0405 x2604.
