

Unico Foundation, Inc., a national service organization whose members are of Italian descent, offers several scholarships for high school seniors and for students currently in college or graduate school. The Nutley chapter will sponsor eligible students who live in New Jersey.

There are four \$6000 scholarships for high schools seniors graduating in 2021, all applied for on one application. These scholarships are in addition to those offered to seniors who live in Nutley sponsored by the Nutley chapter.

Scholarships for undergraduates or graduate students are in the following areas: Literary Studies, Fine Arts, Science, Engineering, Nursing, Medical Doctor or Doctor of Osteopathy, Special Education, Therapy Science, as well as non-specific majors, descendants from specific regions of Italy and students attending specific schools.

All of the applications and instructions for completion can be found online at <https://www.Unico.org/scholarships>. No paper applications are available. Everything must be submitted online.

Any interested students or families who may have questions or would like to be sponsored may contact Michele Fleitell at [uniconationalscholarshipnutley@gmail.com](mailto:uniconationalscholarshipnutley@gmail.com). The deadline for all of these applications is April 15, 2021.
